

## Paperwork's

Each Monday, club members meet to create a special greeting card. There are generally three cards available to choose from and they must sign up for one ahead of time so the necessary materials can be prepared before the class.

There are no membership dues for this club however members do provide their own equipment or share with other. Each weekly kit is prepared for them at the cost of \$2.00 per card.

You don't need to be creative or crafty although it is helpful if you know how to use scissors and glue. The general process is to use a stamp to get your outline, color it in, and then die cut your creation to affix to your card.

The reasons for joining are many: you'll meet many friendly and helpful people, learn a recreation and useful skill that will bring such love and pleasure to the recipients of your gift, and it relieves stress (lots cheaper than a therapist).

If you would like to give it a try, there is a starter kit you can borrow to decide if you like it.

How do you join? Easy. Sign up on the sheet outside the Paris Room for the card you want to make and show up on Monday at 1:00 with your fee.

Contact Linda Freitas at [dfreitas89044@cox.com](mailto:dfreitas89044@cox.com) for more information or just sign up on the board outside the Paris Room in the Community Center. Then, show up on Monday at 1:00 with your \$2.00 and have fun.
